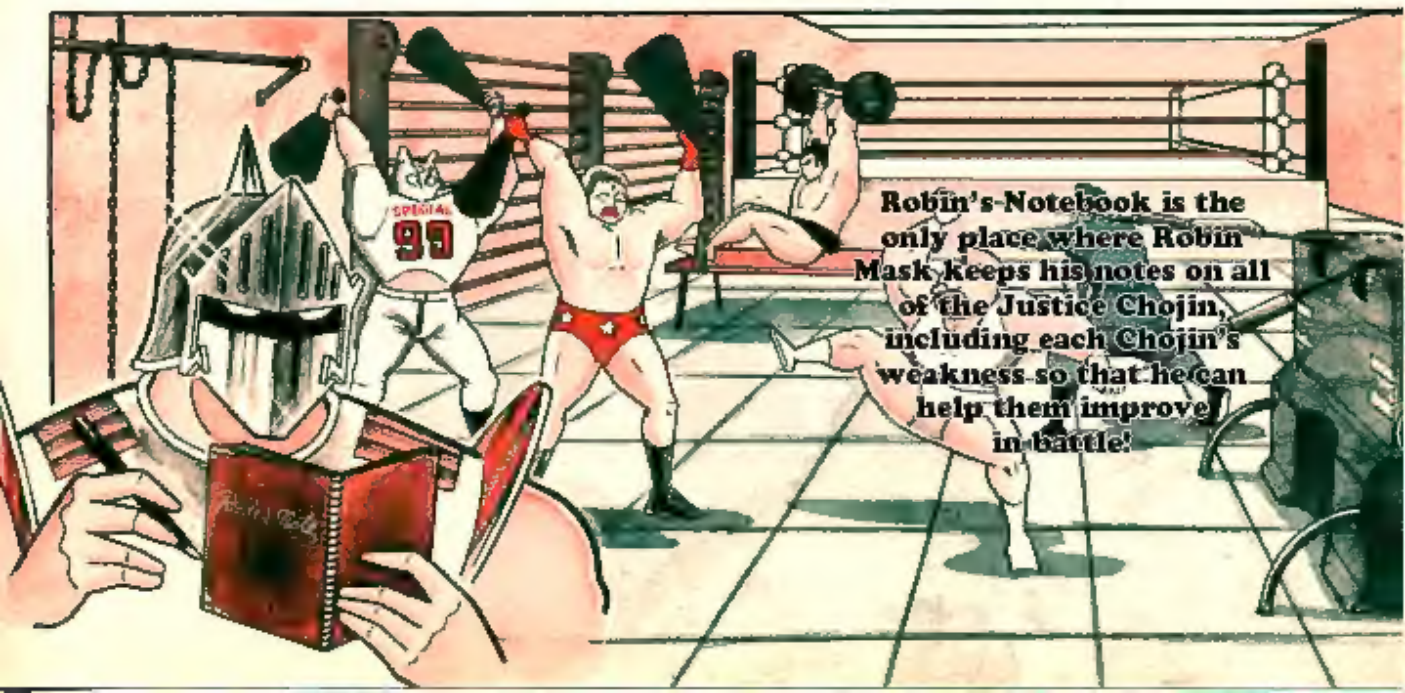
Would you, the reader, like to know what kind of information Robin Mask keeps written in his notebook?



Robin's-Notebook is the only place where Robin Mask keeps his notes on all of the Justice Chojin, including each Chojin's weakness so that he can help them improve in battle!

However, one day while writing about the life of a Jusice Chojin, an evil hand of fate was about to take hold of Robin's Notebook.

Look! He's got Robin Mask and his Notebook!

Shit! The Justice Chojin will get them back, even if it costs us our lives!

Finally, we've made it to the Weak Point Star! This must be where Boo-Ton took Robin!
Thus, the Justice Chojin set out. Kinnikuman, along with Terryman, Warsman, Brocken Jr., Ramenman, and Wolfman, soon arrived at a distant wasteland in space, in hopes of finding his dastardly hideout....

Robin!
Alright guys, let's get him off that cross!
Shit! Robin Mask, we'll get you back! We won't let him get away with this!
